

Get the tick before it gets you!

PREVENT ROCKY MOUNTAIN SPOTTED FEVER

KEEP TICKS OFF YOU AND YOUR FAMILY

Check yourself & children

Use insect repellants to prevent tick bites

Remove tick

If you get sick, see a doctor

KEEP TICKS OFF YOUR DOGS

Put tick collars on all of your dogs

Replace the collars every 3 months

Or use appropriate tick medicine for dogs

KEEP TICKS OUT OF YOUR YARD

Keep your yard clean

Remove mattresses, trash, boards, and old furniture

Have your yard treated with pesticides
